I try but I cant seem to get myself

To think of anything

But you

Your breath on my face

Your warm gentle kiss I taste the truth

I taste the truth

We know what I came here for

So I won't ask for more

I wanna be with you

If only for a night

To be the one whose in your arms

Who holds you tight

I wanna be with you

There's nothing more to say

There's nothing else I want more than to feel this way

I wanna be with you (yeah)

So I'll hold you tonite

Like I would if you were mine

to hold forever more

And I'll savor each touch that I wanted

So much to feel before (to feel before)

How beautiful it is

Just to be like this

I wanna be with you

If only for a night

To be the one whose in your arms

Who holds you tight

I wanna be with you

There's nothing more to say

There's nothing else I want more than to feel this way

(I wanna be) I wanna be with you

Oh baby

I can't fight this feeling anymore

It drives me crazy when I try to

So call my name

Take my hand

Make my wish

Baby, your command?

Yeahhh

I wanna be with you

There's nothing more to say

There's nothing else I want more than to feel this way

(I wanna be) I wanna be with you (I wanna be with you)

I wanna be with you

Wanna be with you (Yeahhh)

(I wanna be with you) I wanna be

I wanna be with you

(I wanna be)

(i wanna be)

(I wanna be with you) Yeahh

(I wanna be with you)

I wanna be, I wanna be baby

I wanna be

(I wanna be with you)

I wanna be with you yeah

I wanna be with you

I wanna be with you
