It's gonna be me, baby
It's gonna be you, baby

Time has been patient for so long
How can I pretend to be so strong?
Looking at you, baby
Feeling in two, baby
If I'm asking you to hold me tight
Then it's gonna be all right

It's gonna be love
It's gonna be great
It's gonna be more than I can take
It's gonna be free
It's gonna be real
It's gonna change everything I feel
It's gonna be sad
It's gonna be true
It's gonna be me, baby
It's gonna be you, baby
It's gonna be.....
It's gonna be love

Time in my restless sorrow pool
How can you pretend to be so cruel?
Maybe it's me, baby
Maybe it's true, baby
Maybe it's everything we're dreaming of
We've waited long enough

It's gonna be love
It's gonna be great
It's gonna be more than I can take
It's gonna be free
It's gonna be real
It's gonna change everything I feel
It's gonna be sad
It's gonna be true
It's gonna be you're the one to do
It's gonna be me, baby (me, baby)
It's gonna be you, baby

The sooner you let two hearts beat together
The sooner you'll know this love is forever
(It's gonna be love)
Love needs time now or never
(It's gonna be love)
It's gonna be tough
You gotta believe
It's gonna be strong enough

It's gonna be love
It's gonna be great
It's gonna be more than I can take
It's gonna be free
It's gonna be real
It's gonna change everything I feel
It's gonna be sad
It's gonna be true
It's gonna be you're the one to do
It's gonna be hard
It's gonna be tough
It's gonna be more than just enough
It's gonna be love
Oh, it's gonna be love

It's gonna be sad
It's gonna be true
It's gonna be me, baby (me, baby)

It's gonna be you, baby
It's gonna be me, baby (me, baby)
It's gonna be you
It's gonna be....(yeah)

It's gonna be love
