There was a time when I was

All alone

Waiting for someone

I could call my own

I closed my eyes

and dreamt you up all day

My prince of charms would ride up and we'd fly away

Take me to a place

Where the magic between us becomes real

Take me all the way

CHORUS

Boy I want you to

Lock me in your heart

and throw away the key,br> Show me (show)

The way it's supposed to be

Lock me in your heart

and never let me go

I must confess

you are the best

so baby come take me

(take me baby take me away)

(take me baby take me away)

we'll dance together

where no one can see

with you alone

is where I want to be

uncharted territory we'll discover?

you'll always be my dream lover

oh take me to a place

where the magic between us becomes real

take me all the way

CHORUS

yes you are the best

so baby come take me

lock me in your heart

oh baby oh baby

lock me in your heart

so baby come take me

take me to a place

where the magic between us

so real

take me all the way

CHORUS

yes you are the best

so baby come take me

CHORUS

yes you are the best

so baby come take me

take me baby take me away x6
