1 2 3 4 Boy I wanna be where you are  
don't matter if you're near or you're far  
you'll filling my heart all the way to the top  
and it's you  
i'm lovin for always  
catch me I'm a shooting star  
make a wish  
close your eyes, cross your heart  
your love is so rare  
and I'm glad that you're here in my arms  
I'll love you for always  
dreaming of you tonight  
praying that you will be mine  
hoping you'll be holding me tight  
never ever letting me go  
i need you to know (know)

#### **CHORUS**

1 2 3 4  
you came into my life  
made everything go right  
so sweet and tenderly

unlock the love  
you've got the key  
Oh I'm so satisfied  
this kind of love i just can't hide  
I'm gonna love you for always  
I'm gonna love you  
(love you, love you, love you, love you, love you) yeah  
took my heart  
for a carousel ride  
made me feel  
what i knew inside  
when I'm with you  
all that i seem to do is smile  
I'll love you for always  
boy I'm floatin on a cloud  
wanna scream and shout it out loud  
I've found amazing grace  
in your eyes and your face  
I'm in love  
with you for always  
dreaming of you tonight  
praying that you will be mine  
hoping you'll be holding me tight  
never ever letting me go  
i need you to know (know)

## CHORUS

I'm gonna love you for always

it's true

I'm gonna love you for always

I'm gonna love you for always

...for always
