1 2 3 4

boy I wanna be where you are

don't matter if you're near or you're far

you'll filling my heart all the way to the top

and it's you

i'm lovin for always

catch me i'm a shooting star

make a wish

close your eyes cross your heart

your love is so rare

and i'm glad that you're here in my arms

i'll love you for always

dreaming of you tonight

praying that you will be mine

hoping you'll be holding me tight

never ever letting me go

i need you to know (know)

CHORUS

1 2 3 4

you came into my life
made everything go right
so sweet and tenderly
unlock the love
you've got the key
ohh i'm so satisfied
this kind of love i just can't hide
i'm gonna love you for always
i'm gonna love you
(love you, love you, love you, love you, love you)
yeah
took my heart
for a carousel ride
made me feel
what i knew inside
when i'm with you
all that i seem to do is smile
i'll love you for always
boy i'm floatin on a cloud
wanna scream and shout it out loud
i've found amazing grace
in your eyes and your face
i'm in love
with you for always
dreaming of you tonight

praying that you will be mine

hoping you'll be holding me tight

never ever letting me go

i need you to know (know)

CHORUS

i'm gonna love you for always

it's true

i'm gonna love you for always

i'm gonna love you for always

...for always
