Not Too Young

When you looked at my face

You thought you could get me

You better look twice

It won't be that easy

Think it's because

You're a little older

All you'll get from me

Is my cold shoulder

You shouldn't judge

Someone by what you see

You may be wrong

Like you were about me...

I'm not too young

To know

The right things to do

And one of those things

Is not to fall for you

Don't play

Did ya hear me say

I'm not gonna fall for you

So please just go away  
Didn't work out  
The way that you planned  
Bragged to your friends  
Said you were the man  
Now whatcha gonna do  
Since your pride is gone  
Couldn't get this little girl  
Now you're crying all alone  
Too bad you judged me  
By first sight  
It's too late now  
So kiss this chance goodnight  
I'm not too young  
To know  
The right things to do  
And one of those things  
Is not to fall for you  
Don't play  
Did ya hear me say?  
I'm not gonna fall for you  
So please just go away  
You say you want me  
When you don't really know who I am  
I don't wanna play no games

So catch me if you can

Didn't work out

The way that you planned

Bragged to your friends

Said you were the man

Now whatcha gonna do

Since your pride is gone

Couldn't get this little girl

Now you're crying all alone

I'm not too young

To know

The right things to do

And one of those things

Is not to fall for you

Don't play

Did ya hear me say?

I'm not gonna fall for you

So please just go away

Please just go away

I'm not too young

To know

The right things to do

And one of those things

Is not to fall for you

Don't play

Did ya hear me say?

I'm not gonna fall for you

So please just go away
