La la la la la la la la la la

You looked at my face

Thought you could get me

Better look twice it would be that easy

Think it's because you a little older

All you'll get from me is my cold shoulder

You shouldn't judge someone by what you see

You may be wrong like you were about me

CHORUS

I'm not too young to know the right things to do

And one of those things is not to fall for you

Too bad I don't want no play

did you hear me say?

I'm not gonna fall for you

so please just go away

Didn't work out the way that you planned

Brag to your friends, said you were "the man"

Now whatcha gonna do, since your plan is blown?

Can't get this little girl, Now your crying all alone

Too bad you judged me

By first sight

It's too late now so kiss this chance good night

CHORUS

I'm not too young to know the right things to do

And one of those things, is not to fall for you

Too bad I don't want no play

did you hear me say?

I'm not gonna fall for you

so please just go away

You say you want me

that you told everyone yeah yeah yeah

(i don't wanna play no games)

So catch me if you can

La la la la la la la la la la

La la la la la la la la

La La La La La La La La La La

La la la la la la la la

Didn't work out the way that you planned

brag to you friends, said you were "the man"

Now whatcha gonna do, since your plan is blown

Can't get this little girl, can't get this little

girl, now you're crying all alone

CHORUS

I'm not too young to know the right things to do

And one of those things, is not to fall for you

Too bad I don't want no play

did you hear me say?

I'm not gonna fall for you

so please just go away

I'm not too young to know the right things to do

And one of those things, is not to fall for you

Too bad I don't want no play

did you hear me say?

I'm not gonna fall for you

so please just go away

I'm not too young to know the right things to do

And one of those things, is not to fall for you

Too bad I don't want no play

did you hear me say?

I'm not gonna fall for you

so please just go away
