### "Only Hope"

there's a song that's inside of my soul

its the one that i've tried to write over and over again

i will waken the infinite cold

would you sing to me over and over again

Chorus:

so i lay my head back down

and i lift my hands and pray to be only yours

i pray to be only yours

i know now you're my only hope

Sing to me the song of the stars

of your galaxy dancing and laughing and laughing  
again

when it feels like my dreams are so far

sing to me of the plans that you have for me over again

Chorus

i give you my destiny

im giving you all of me

i want your symphony

singing in all that i am

at the top of my lungs I'm giving it back

Chorus
