90 miles outside Chicago
Can't stop driving
I don't know why
So many questions
I need an answer
Two years later you're still on my mind
Whatever happened to Emilia Earhart
Who holds the stars up in the sky
Is true love just once in a lifetime
Did the captain of the Titanic cry?

CHORUS

Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why I wasn't meant for you

Does anybody know the way to Atlantis
Or what the wind says when she cries
I'm speeding by the place that I met you
For the 97th time... tonight

Repeat CHORUS

Someday we'll know
Why Samson loved Delilah
One day I'll go
Dancing on the moon
Someday you'll know
That I was the one for you

I bought a ticket to the end of the rainbow
I watched the stars crash in the sea
If I could ask God just one question
Why aren't you here with me... tonight

Repeat CHORUS

Someday we'll know

Why Samson loved Delilah
One day I'll go
Dancing on the moon
Someday you'll know
That I was the one for you
