PYT (NOT Mandy Moore)
We're Dancing

When the going starts to get rough,
And you feel like you've had enough let the music,
Take control of your soul.

Take a chance and do what you feel.
Your force, they cannot live without it.
You gotta break the chain.

BRIDGE:

There's a passion inside.
Your inner strength that drives.
Can't nobody take that away from you.
It's the greatest high,
You set the floor on fire.
When you come aliveeeee!

CHORUS:

And we're dancin! And it feels alright.
I can't control my desire.
And we're dancin! And it feels alright.
Yeaaa.
And we're dancin! And it feels alright.
Can't hold me down, got to reach for the sky.
And we're dancin! And it feels alright.
Yeaaa.
