#### A- Section

When I first saw you

I couldn't believe

The way you smiled

Took the breath out of me

And maybe i am seeing things

But if it's true

Dont wake me up from this dream

#### Chorus

You remind me of a love I knew

Feels so weird it must be deja vu

You remind me but I ain't got a clue

Boy i'm so glad I found you

#### B- Section

I never thought i could love again but

Then you came

And changed something within (i'm so confused)

I'm so confused 'cause you're not the same

But there's something special

That reminds me

#### C- Section

Its the way you walk and

The way you talk and

You really got style

Its the way you move and

The way you groove and

I love your smile (I love your style)

Chorus:

You remind me of I love I knew (oh oh oh)

Feels so weird that it must be deja vu

You remind me of what I ain't got a clue

Boy I'm so glad I found you

D- Section

I, I cannot figure it out

I ain't got a clue

I'm so confused

About how I feel

'Cause i'm really feelin' you

It's the way you talk and

The way you move and

You really got style

It's the way you move and
