Plus the Devils got a shevil and it's beamin' on me I  
tried to make the system work for me Some say why  
bother? I gotta make it that way, so they don't take it  
away from me partner When I was younger ran wild as  
a kid my neighbour won the lottery I planned a robbery  
I sure did I pull out my gat for no reason it's jackin'  
season leavin' a scene with all the green rackin' more  
than even I'm the quicker nigga uppercut a sucker The  
Railroad's live on the jack move you better back off

about it Maybe they could growin' up like me Held down  
in the hood '92 niggas bankin' on shit they can't see Uh  
uh In 1967 niggas still wasn't free So when I came here  
I had to learn the ropes Put my pants to the side,  
slipped on my loc's I stepped out into the world that's  
new to me I tried to make myself true, to my history But  
fuck it Cause I'ma nigga that's makin' much leeway  
despite the trap's And the punk bitch He'll say the  
Underground Railroad's strong as hell With the help of  
some brother who won't let me fail So we keep on  
strivin' With the title that was forced But don't trip  
Courage, strength and pride wasn't lost So if they call  
you one Please don't get offended Even thought  
offence, is what the kid intended We are from a long  
line of true motherfuckas So knuckle up and let 'em  
know you always throw down for your brothers They  
your niggas (Chorus x8) We dedicate this to the real  
niggas (Real niggas) Not niggas like Ice Burg Slim and
