stay  
weâ€™re already in this  
that day  
boy iâ€™ll be right there with  
when your head goes down  
when your head goes down  
when your head goes down

wait  
and let them have their moment  
itâ€™s way  
too soon to even show it  
but when the rain comes down  
when the rain comes down  
when the walls come down  
when the walls come down

you were always following me  
you never let me be  
and youâ€™ll always be there  
take me to the river and iâ€™ll be your angel  
and iâ€™ll be your angel  
you were always following  
take me to your place to be  
and youâ€™ll always be there  
take me to the river and iâ€™ll be your angel  
and iâ€™ll be your angel  
i wanna beâ€¦

but i know that you walk with the devil  
but iâ€™ll never hold it against you  
when your hand goes out  
when your hand goes out  
when your hand goes out  
when my head goes down  
when my head goes down  
when my head goes down

you were always following me  
you never let me be  
and youâ€™ll always be there

take me to the river and iâ€™™ ll be your angel  
and iâ€™™ ll be your angel
