A prisoner of your love  
entangled in your web  
Hot whispers in the night  
I'm captured by your spell... captured!  
Oh yes, I'm touched by this show of emotion  
Should I be fractured by your lack of devotion?  
Should I?  
Should I?  
Oh, you'd better be good to me  
That's how it's gotta be now  
'cause I don't have no use  
for what you loosely call the truth  
and you'd better be good to me  
Yeah, better be good...  
Come on, come on, be good to me...  
I think it's also right  
that we don't need to fight  
just to stand face to face  
And you present your case  
Yes I know you keep telling me that you love me  
and I really do wanna believe

But did you think I'd just desert you in blind faith?

Oh, sure baby! Anything to please you,

but you'd better be good to me!

That's how it's gotta be now

'cause I don't have the time

for your overloaded lines

and you'd better be good to me

Yeah, you'd better be good... good to me

And I really can't see

why it's so hard to be

good to me

And y'know, I don't understand

What's your plan

that you can't be good to me

What I can't feel, I surely cannot see

Why can't you be good to me?

And if it's not real, I do not wish to see

why can't you be good to me

Why can't you be

good to me?

Why can't you be

good to me?

[repeat 3 times]

Be good to me...

'Cause I don't have no use

for what you loosely call the truth

And I don't have the time

for your overloaded lines

so you'd better be good to me

Yeah, you'd better be good

Better be good to me
