(Neil Tennant/Chris Lowe)
You don't need to give me reasons
I'll understand
somethings are best kept secret
and you've done all you can
I want no recompense
Just as much as you can give of yourself
if that makes sense
I'll keep it confidential
each secret confidential
it may come as some surprise
but I can stay secret from prying eyes
so don't worry, I'll keep it confidential
between you and me
Go on tell me that you love me
show me you dare
We may not venture out in public
at least I know, you care
it can't be guaranteed
just give me what you can of yourself
that's all I need
I'll keep it confidential
each secret confidential
it may come as some surprise
but I can stay secret from prying eyes
so don't worry, I'll keep it confidential
between you and me
No one will know
who I am
I think it's possible only to love
[Each secret... confidential]
You play such silly games
but if everyone knew about us
I'd feel no shame
I'll keep it confidential
each secret confidential
it may come as some surprise
but I can stay secret from prying eyes
so don't worry, I'll keep it confidential
between you and me
Each secret..confidential...oh yeah
each secret..confidential
