All of my life, all of my life

I've been searching for a love like ours

Somewhere to stay, somewhere safe in your arms

I was so sure

Are you really saying your heart's changing

Do you really mean goodbye

Don't leave me this way, no, no

Don't tell me it's over

We've only begun and our love is so young

You're leading me nowhere

Don't leave me this way

Don't leave me this way

Say what's on your mind, one thing at a time

And I promise you we'll talk it through

Don't walk away, there's so much more to say

Though my words seem lost on you

Can't believe you're talking like we're just friends

Can't you see the tears I cry

Don't leave me this way, no, no

Don't tell me it's over

We've only begun and our love is so young

You're leading me nowhere

Don't leave me this way

Don't leave me this way

Are you really saying your heart's changing

Do you really mean it this time

Baby

Don't leave me this way, oh no

Don't tell me it's over

We've only begun and our love is so young

You're leading me nowhere

Don't leave me this way

Don't leave me this way

No, don't tell me that it's over

We've only begun and our love is so young

Don't leave me now

Don't leave me, don't leave me this way (don't leave
me this way)

Don't leave me, don't leave me this way (oh you're
gonna leave me now)

Don't leave me, don't leave me this way

Don't leave me, don't leave me this way

Don't leave me this way

If you'll just take a little bit of time

You just might wanna change your mind

Don't leave me this way

Don't leave me this way
