GIRLS

(D. Bowie, E. Kizilcay)

Producer: Terry Britten

Albums: Break Every Rule (86)

Girls, we come and we go
We kiss, come and we go
Like a breeze, toughing your cheek
Like pain, like the tears on a face

Girls, we come and we go
Like spirits, we vanish at dawn
My heart, suspended in time
Like you, vanish like tears in the rain

Girls, we take our loves away
Like spirits living so far away
Girls, pretending to break down and cry
Girls, whispering wind, what are we giving away

We used to be so happy
Remember, remember, so happy
I never knew how lonely
How lonely, How lonely
Could feel
