BONO/THE EDGE)

See reflections on the water

more than darkness in the depths

see him surface in every shadow

on the wind I feel his breath

Goldeneye I found his weakness

Goldeneye he'll do what I please

Goldeneye no time for sweetness

but a bitter kiss will bring him to his knees

You'll never know how I watched you

from the shadows as a child

you'll never know how it feels to be the one

who's left behind

You'll never know the days, the nights,

the tears, the tears I've cried

but now my time has come

and time, time is not on your side

See him move through smoke and mirrors

feel his presence in the crowd

other girls they gather around him

if I had him I wouldn't let him out

Goldeneye not lace or leather
Golden chains take him to the spot
goldeneye I'll show him forever
it'll take forever to see
what I've got
You'll never know how I watched you
from the shadows as a child
you'll never know how it feels to be so close
and be denied
It's a gold and honey trap
I've got for you tonight
Revenge it's a kiss, this time I won't miss
now I've got you in my sight
With a Goldeneye, golden, goldeneye
with a goldeneye, goldeneye
