When I was younger,
so much younger than today
I never needed anybody's
help in any way
But now those days are gone,
and I'm not so self-assured
Now I find I've changed my mind
I've opened up the door
[chorus:]
Help me if you can, I'm feeling down
and I do appreciate you being around
Oh, help me get my feet back on the ground
Won't you please, please help me
And now my life has changed
in oh so many ways
My independance
seems to have vanished in the haze
And every now and then
I feel so insecure
I just know that I need you
like I never did before
[chorus]
When I was younger
so much younger than today
I never needed anybody's
help in any way
But now those days are gone
and I'm not so self-assured
I just know that I need you
like I never did before
[chorus]
