I met a gin soaked, bar-room queen in memphis,  
He tried to take me upstairs for a ride.  
He had to heave me right across his shoulder  
'â,¬â„¢cause I just can'â,¬â„¢t seem to drink you off  
my mind.

I'm the honky tonk woman  
Gimme, gimme, gimme a honky tonk man

I laid a V.I.P in new york city,  
I had to put up some kind of a fight.  
The lady then she covered me with roses,  
He blew my nose and then he blew my mind.

I'm a honky tonk woman  
Gimme, gimme, gimme a honky tonk man.

(yeah!) I'm a honky tonk woman.  
Gimme, gimme, gimme a honky tonk man

(yeah!) I'm a honky tonk woman.  
Gimme, gimme, gimme a honky tonk man
