[chorus:]

I can't stand the rain
against my window
bringing back sweet memories
I can't stand the rain
against my window
'cause he ain't hearing me
Hey, window pane
tell me do you remember
how sweet it used to be

[verse:]

When we were together
everything was so grand
Now that we've parted
there's just one sound
that I just can't stand

[chorus]

[verse, substituting "sound" with "thing"]
Can't stand the rain (can't stand the rain)

[chorus]

When we were together
everything was so grand
and I know you've got some sweet memories
but there's one sound
that I just can't stand

[chorus]
