This is the life you saved laid out before you
Everything that I think I have been and what I am now
Nothing can change the way I feel about you
Better we go on our separate ways
Nothing is left but the endless days
Nothing to cry but your name
Don't you look back, don't say a word
I will be lonely for you, I will be standing for you
Don't you despair
I will be there for you
I will be there
Maybe this time next year we'll be together
You can wipe away all of the tears, bring truth to the
lies
There was a silent dream, we made a promise
We'd be there for each other forever
Aboard like a ship on an ocean's roar
Beating a path to your open door
Nothing will keep me away
Don't you look back, don't say a word
I will be lonely for ya, I will be standing for you

Don't you despair

I will be there for you

Each night I pray to God above

You will be waiting for me, you will be lonely for me

Don't you despair

I will be there for you

I will be there

Don't you look back, don't say a word

I will be lonely for ya, I will be standing for you

Don't you despair

I will be there for you

Farewell to you, goodbye for me

I will be waiting for you

I will be lonely for you

Don't you despair

'Cause I will be there for you

I will be there
