There'll be a storm one night
And I will fly to you for shelter
Soaked in welcome rain
Falling to forbidden arms
Too breathless
Too helpless
Too restless to explain
Needing you
There'll be a storm one night
But you will find my place of hiding
We'll watch the lights like children
Leave the fortress hand in hand
I'll be thunder
You'll be lightning
I'll be thunder
You'll be lightning
And we'll collide
On dry land
There'll be a storm one night
And I will find no other rescue
Lost and far from home
Crying for some guiding light
Too reckless
Too helpless
Too hungry to refrain
>From needing you
There'll be a storm one night
The wind will drive me to your castle
And you'll ignite the fire
Just as if everything were planned
I'll be thunder
You'll be lightning
I'll be thunder
You'll be lightning
And we'll collide on dry land
I'll be thunder
You'll be lightning
There'll be a storm one night
No betrayal
No denial
No need to explain
We'll collide
