IT'S GONNA WORK OUT FINE

Ike & Tina Turner

Darling (yes Tine) it's time to get next to me
(honey that was my plan from the very beginning)
Darling (un huh) I never thought that this could be
(What you mean) Oh yeah
Your lips set my soul on fire
You could be my one desire
Oh darling (yes yes) I think it's gonna work out fine
(It's gonna work out fine)
I wanna tell you something Ike
Ike, I went to see the preacher man
(The preacher man, you must be losin your mind)
I started (strated what) I started making wedding plans
(Oh really) oh yeah
If your love is half as true As the love I offer you
Oh darling (yes yes) I think it's gonna work out fine
(It's gonna work out fine)
I keep a tellin ya (I think it's gonna work out fine)
I get the feelin it's a (gonna work out fine)
I keep a tellin you (I know it's gonna work out fine)
I'm so glad that you're mine all mine
Remember (remember what) I used to call you dapper
Dan
(Yeah those were the good ole days)
But killer, forever and a lovin man (that's me) oh yeah
A whole lot of love just to be your speed
But now pretty daddy I'm all you need
Oh darling (yes yes) I know it's gonna work out fine
(It's gonna work out fine)
I keep a tellin ya (I think it's gonna work out fine)
I get the feelin it's a (gonna work out fine)
I keep a tellin you (I know it's gonna work out fine)
I want you to know it's gonna work out fine
