Last night we tried to touch but we never got close

Last night we tried to talk, the words got caught in our
throats

When we finally fell asleep

We couldn't have been further apart

Look me in the heart

If you think that love is blind

Baby look me in the heart

And you'll see that I'm so crazy about you baby

And it's not in my mind

Can't you look me in the heart

Look me in the heart

You try to say that I'm hiding from you

You act like a spy always looking for clues

You've read about my past

But why don't we try to make a new start

Look me in the heart

If you think that love is blind

Baby look me in the heart

And you'll see that I'm so crazy about you baby

And it's not in my mind

Can't you look me in the heart

Look me in the heart

Remember how good we used to be together

Remember baby, so be tender baby

Remember the love we said would last forever

I know we can make it like that again
