I'll call you if I need you

My heart's on fire

You come to me

Come to me wild and wired

Oh you come to me

Give me everything I need

Give me a lifetime of promises and a world of dreams

Speak the language of love like you know what it means

Oh and you can't be wrong

Take my heart and make it strong babe

CHORUS: You're simply the best

Better than all the rest

Better than anyone

Anyone I ever met

I'm stuck on your heart

I hang on every word you say

Tear us apart

Baby I would rather be dead

In your heart I see the stars

Every night and every day

In your eyes I get lost
I get washed away
Just as long as I'm here in your arms
I could be in no better place
Each time you leave me I start losing control
You're walking away with my heart and my soul
I could feel you even when I'm alone
Woah baby, never go
Oh you're the best
Better than all the rest
Better than anyone
Anyone I ever met
Oh I'm stuck an your heart
I hang on every word you say
Tear us apart
Baby I would rather be dead
Oh you're the best
