Everything's gonna be alright tonight
Everything's gonna be alright tonight
No one moves, no one grooves
No one talks, no one walks tonight
Tonight

Everyone will be alright tonight
Everyone will be alright tonight
No one moves, no one talks
No one thinks, no one walks tonight
Tonight

I will love you till I reach the end
I will love you till I reach the end
I will love you till I die
I will see you in the sky
Tonight, tonight

Everyone will be alright tonight
Everyone will be alright tonight
No one moves, no one talks
No one thinks, no one walks tonight
Tonight
