Baby, baby, baby

I know that I've been mad in love before

but how I can be with you

You really hurt me baby, you really cut me baby

How could you have a day without a night

you're the book that I have opened

and now I've gotten so much more

Baby, baby

The curiousness of your potential kiss

has got my mind and body aching

You really hurt me baby, you really cut me baby

How could you have a day without a night

you're the book that I have opened

and now I've gotten so much more...ohhh

oh, yeah yeah yeah yeah yeah yeah yeah

Like a soul without a mind, and a body without a heart

and I'm every missing every part..heyyyyeah

Heyyyyiiii,

Like a soul without a mind, and a body without a heart

and I'm every missing every part

Like a soul without a mind, and a body without a heart
and I'm every missing every part

Like a soul without a mind, and a body without a heart
and I'm every missing every part

You really hurt me baby, you really hurt me baby

Like a soul without a mind, and a body without a heart
I'm missing every part

Ohhhh...heyyy
