Out of the ruins

Out from the wreckage

Can't make the same mistake this time

We are the children

the last generation

We are the ones they left behind

And I wonder when we are ever gonna change it

Living under the fear till nothing else remains

We don't need another hero

We don't need to know the way home

All we want is life beyond the thunderdome

Looking for something we can rely on

There's got to be something better out there

Love and compassion, their day is coming

All else are castles built in the air

And I wonder when we are ever gonna change it

Living under the fear till nothing else remains

All the children say

We don't need another hero

We don't need to know the way home

All we want is life beyond the thunderdome

What do we do with our lives

We leave only a mark

Will our story shine like a life

Or end in the dark

Give it all or nothing
