I'm feeling low, I tear out my hair

Walking 'round in circles like I don't care

One shoe off, the other one on

Cause I threw the damn shoe the night that you were gone

I'm in the mood, I'm in such a mess

My heart is broken and I'm in distress

Don't wanna eat, don't wanna sleep

'Cause I'm thinking 'bout the dirty way you treated me

I'm in no mood for company

You see I just don't want your pity

'Cause I call your name to drive me insane

And I feel the need to make my heart bleed

And baby I don't know why I'm drowning in tears

'Cause I don't wanna die

So I find myself another way to learn to live another day

Without you yeah

Looking down at the way I get dressed

I need to know is that why you left

My face is sweet but my head is wrecked

By the things that you said on the night you left

You can keep your sympathy

Because I just don't want your pity

'Cause I call your name to drive me insane

And I feel the need to make my heart bleed

And baby I don't know why I'm drowning in tears

'Cause I don't wanna die

So I find myself another way to learn to live another
day

Without you

Yeah yeah yeah yeah

I can live without you, I'm telling you girl now

I can live without you, can you hear me

You know you can keep your sympathy

Because I just don't want your pity

'Cause I call your name to drive me insane

And I feel the need to make my heart bleed

And baby I don't know why I'm drowning in tears

'Cause I don't wanna die

So I find myself another way to learn to live another
day

Without you baby

I call your name (I call your name) to drive you insane
(to drive me insane)

'Cause I feel the need ('cause I feel the need) to make
my heart bleed (to make my heart bleed)

And baby I don't know why I'm drowning in tears

'Cause I don't wanna die

So I find myself another way to learn to live another
day

Without you baby
