You've got to give it all to baby
You know I want it all for me
I wanna get to know you baby
Is that a possibility

Hey, you're my man, I'm your woman
And I'm not too proud to tell you what you do to my
head
I'm not kiddin'
You've got everythin' that any girl would want, yes you
do
You're just wishin'
Well it's time you know the truth and that is
When you are beggin' me for money
Just got to tell me what you need
But if you want my lovin' buddy
You've got to get down on your knees

Chorus:

You've got to give what you got and take what I'm givin'
you baby
You've got to want what you see and see what I'm givin'
away

Hey, stick with me, I'm your momma
And you can run to momma everytime you skin your
knee
No one ever
Could ever take your place, the way you move makes
me hot
Let me tell you
You won't be satisfied without me
You've got to give it all to baby
You know I want it all for me
I wanna get to know you baby
Is that a possibility

Repeat Chorus
