I had no choice but to hear you  
You stated your case time and again  
I thought about it

You treat me like I'm a princess  
I'm not used to liking that  
You ask how my day was

CHORUS:

You've already won me over in spite of me  
Don't be alarmed if I fall head over feet  
Don't be surprised if I love you for all that you are  
I couldn't help it  
It's all your fault

Your love is thick and it swallowed me whole  
You're so much braver than I gave you credit for  
That's not lip service

REPEAT CHORUS

You are the bearer of unconditional things  
You held your breath and the door for me  
Thanks for your patience

You're the best listener that I've ever met  
You're my best friend  
Best friend with benefits  
What took me so long

I've never felt this healthy before  
I've never wanted something rational  
I am aware now  
I am aware now

REPEAT CHORUS
