Music and lyrics by Alanis, Leslie Howe & Serge Cote

Whenever we talk about sun all I see is the rain  
It's like looking for tears in a ocean  
I'm hearing your words like the wind  
They blow straight through my heart  
Will you ever give into emotion

And we hurt the ones that we love the most  
Why we do only heaven knows  
And I don't know why I'm still holding on...holding on

Chorus:  
I reach in my heart to see  
If your love is alive in me  
But now I feel alone  
My feelings turn to stone  
My heart makes no apologies

When an apology's made it isn't always enough  
To erase all the past in a moment  
Whenever I need you the most  
You always leave me behind  
With a word from your lips I'm alone

You've been blind not to realize  
All the love that I hold inside  
So tell me why do I keep holding on...holding on

Repeat Chorus (x2)

(And we hurt the ones that we love the most  
Why we do only heaven knows  
And I don't know why I'm still holding on...holding on)

What I need is your sympathy  
Like a light flowing into me  
Will I ever give up holding on... holding on...

Repeat Chorus
