Music and lyrics by Alanis Morissette and Serge Cote

I'm lookin' for someone who can made me feel  
A serious love like Juliet's is real  
A little impulsive and a boy at heart  
A little bit shy but he'll be oh so smart

Superman I need a superman

You got a complicated girl like me  
He's gotta be fair and treat me properly yeah  
I want him to understand equality  
You gotta Keep searchin' everywhere in the world  
You gotta keep lookin' or you'll miss the feelin'

Chorus:

You gotta be tough to make it today  
You do it your way and not how they say  
You'll find him somewhere  
You gotta be tough to make it today  
And never be scared of finding your way  
to Superman

Should I call him on the telephone  
Should I go see him or just stay at home  
will be different from the other boys  
if I could find him I'd be overjoyed

Superman where are the Supermen  
Whenever it seems like everything's on the line  
You gotta keep lookin' or you'll miss the feelin'

Repeat Chorus

With all the other boys I never knew  
what it took to make a choice  
When he's mine I'm gonna stop  
all my changin' around now  
Between the two of us there'll be  
enough goin' on that's serious  
I can't wait 'til I can stop

all my lookin' around now

I found my Superman I found my Superman

Whenever it seems like everything's  
on the line you gotta keep lookin' or  
you'll miss the feelin'

Repeat Chorus
