Music and Lyrics by Alanis, Leslie Howe, & Serge Cote

We said good-bye with so much left to say  
We knew inside we'd find another way  
We'll have it all, it's not too late to try  
Maybe you and I could go from here  
Maybe you and I can make it, this time we'll...

Chorus:

Fall in love when we meet again  
We can finish what we started  
Fall in love if we try again  
And then nothing will keep us apart

We're not the same as when we first began  
We'll try to change, we'll take another chance  
Maybe you and I could work it out  
Maybe you and I can make it, this time we'll...

Repeat Chorus

I see your face, it's always on my mind  
A time and place we almost left behind  
This time we'll fall in, this time we'll...

Repeat Chorus (x2)
