Movin' on slowly, sittin' forlornly  
Looks through her window, clouds hide the sun  
She thinks of her love, gone like the wild ones  
She knows he'll never return

Grim reaper of love, grim reaper of love  
Grim reaper of love, grim reaper of love  
Killing the living and living to kill  
Grim reaper of love thrives on pain, people, beware

Missed her sadness of the loss of his loaning  
But in his past thinking, love can't last  
We were so happy, peaceful and dear  
But now his life's a little miser

Grim reaper of love, grim reaper of love  
Grim reaper of love, grim reaper of love  
Killing the living and living to kill  
Grim reaper of love thrives on pain, people, beware
