"Sound Asleep"

Visit "[Sound Asleep](#)" on MotoLyrics.com

Ba, da, da, da, da, da, da
Daytime dreamin', gettin' involved only halfway deco
Nighttime schemin', seemin' to be like I'm sound
asleep

Sound asleep, spendin' my time
On a dream that I'm about to see come
Sound asleep, keepin' my mind on you

Children singing, something for all little yous and mes
Winter springing, summer or fall
Drifting away day by day, farther away
(Far away)

The better I feel
Ba, da, da, da, da, da, da
Ba, da, da, da, da, da, da, da, da, da

Sound asleep, spendin' my time
On a dream that I'm about to see come
Sound asleep, keepin' my mind on you
