HEADED FOR A HEARTACHE

By Gary Morris

I'm headed for a heartache, better stop before it's too late

It's a chance that I gotta take, because I fell in love

I'm headed for a hard time, that girl just blows my mind

I'm blinded by love this time, and I'm headed for a heartache

I shoulda listened, my friends all warned me

(They swore she'd take my heart and run)

She was so tempting, I didn't heed their warning

(Now she's got me where I wanna be)

(My trouble's just begun)

I'm headed for a heartache, better stop before it's too late

It's a chance that I gotta take, (because I fell in love)

I'm headed for a hard time, that girl just (blows my mind)

I'm blinded by love this time, and I'm (headed for a heartache)

(solo)

(The moment I met her I wanted to love her)

But I told myself I better take it slow

Well she was a lady, (not a one night lover)

Well it may not last, 'cause I'm falling fast

(My heart's running out of control)

I'm headed for a heartache, better stop before it's too late

It's a chance that I gotta take, ('cause I fell in love)

I'm headed for a hard time, that girl just (blows my mind)

I'm blinded by love this time, and I'm (headed for a heartache
