If I ventured in the slipstream  
Between the viaducts of your dream  
Where immobile steel rims crack  
And the ditch in the back roads stop  
Could you find me?  
Would you kiss-a my eyes?  
To lay me down  
In silence easy  
To be born again  
To be born again  
From the far side of the ocean  
If I put the wheels in motion  
And I stand with my arms behind me  
And I'm pushin' on the door  
Could you find me?  
Would you kiss-a my eyes?  
To lay me down  
In silence easy  
To be born again  
To be born again  
There you go  
Standin' with the look of avarice  
Talkin' to Huddie Ledbetter  
Showin' pictures on the wall  
Whisperin' in the hall  
And pointin' a finger at me  
There you go, there you go  
Standin' in the sun darlin'  
With your arms behind you  
And your eyes before  
There you go  
Takin' good care of your boy  
Seein' that he's got clean clothes  
Puttin' on his little red shoes  
I see you know he's got clean clothes  
A-puttin' on his little red shoes  
A-pointin' a finger at me  
And here I am  
Standing in your sad arrest  
Trying to do my very best  
Lookin' straight at you

Comin' through, darlin'  
Yeah, yeah, yeah  
If I ventured in the slipstream  
Between the viaducts of your dreams  
Where immobile steel rims crack  
And the ditch in the back roads stop  
Could you find me  
Would you kiss-a my eyes  
Lay me down  
In silence easy  
To be born again  
To be born again  
To be born again  
In another world  
In another world  
In another time  
Got a home on high  
Ain't nothing but a stranger in this world  
I'm nothing but a stranger in this world  
I got a home on high  
In another land  
So far away  
So far away  
Way up in the heaven  
Way up in the heaven  
Way up in the heaven  
Way up in the heaven  
In another time  
In another place  
In another time  
In another place  
Way up in the heaven  
Way up in the heaven  
We are goin' up to heaven  
We are goin' to heaven  
In another time  
In another place  
In another time  
In another place  
In another face
