(Clyde Lovern Otis, Murray Stein)

Well, it takes more than a robin
To make a winter cold
Then it takes two lips of fire
To melt away the snow
Yeah, and it takes two hearts a-cookin'
To make a fire glow
And baby, you got what it takes

(Pullin' together)

Well, it takes a lot of kissin'
To make a romance sweet
And it takes a lot of lovin'
To make my life complete

And it takes a lot of woman
To knock me off-a my feet

And baby, you got what it takes

Ooo-ooo-ooo-ooo-ooo-ooo-ooo-ooo-we
Ooo-ooo-ooo-ooo-ooo-ooo-ooo-we
Baby, you've got just what it takes

And it takes more than an effort
To stay away from you
And it takes more than a lifetime
To prove that I'll be true
(Sing it with me)

Yeah, and it takes somebody special
To make me say, I do
And baby, you got what it takes

Woo-woo-ooo-ooo-ooo-ooo-ooo-ooo-we
Woo-woo-woo-woo-woo-woo-we
Baby, you got just what it takes

Well, it takes more than an effort (hoo)

To stay away from you (ooo, I know it)
And it takes more than a lifetime
To prove that I'll be true

And it takes somebody special
To make me say, I do
And baby, you got what it takes
Oh yeah

And baby, you got what it takes

And baby, you got what it takes
