(Van Morrison)

And it goes out, and it comes back

It is a feeling it's a feelin'

And when you do it

And the more you do it

And the more you do it

It becomes a beautiful obsession

A beautiful obsession

A beautiful a beautiful obsession, obsession, yeah

It's a feelin'

It's a feelin'

It's a feelin'

In your heart, in your soul

In your being, yeah

It's a beautiful obsession

And it makes you feel

And it's more than a song to sing

And it's more, more, more

Than a song to sing

Let the cowboy ride

Let the cowboy ride

Let the cowboy ride

Fade
