Joe Raposo

It's not easy bein' green

Having to spend each day the color of the leaves

When I think it could be nicer bein' red or yellow or gold

Or something much more colorful like that

It's not easy bein' green

It seems you blend in with so many other ordinary things

And people tend to pass you over

'Cause you're not standing out like flashy sparkles

On the water or stars in the sky

But green is the color of spring

And green can be cool and friendly like

And green can be big like an ocean

Or important like a mountain or tall like a tree

When green is all there is to be

It could make you wonder why

But why wonder, why wonder?

I am green and it'll do fine, it's beautiful

And I think it's what I want to be
