Lyrics by Van Morrison, 1973

Yeah

This one's called

Caledonia

Soul Music

Yeah

Starts out like this

It gets

gets low

Do a little

little pick

Yeah yeah yeah yeah yeah alright

alright

It gets low

Make it mellow

Get some horn

You got it

Yeah

And we get down

John, play a taste of mandolin

Yeah

Play it!

Yeah, alright

Hey

Hey hey alright

Whoa whoa Caledonia Soul

Caledonia Soul Music

Tell me what it is

Caledonia Soul Music

Caledonia Soul Music

Tell me what it is

Caledonia Soul Music

Caledonia Soul Music

Tell me what it is

Caledonia Soul
Caledonia Soul
Hey, alright
alright alright
Make me feel so good
Make me feel alright
Make me feel so good
Make me feel alright
[mumbled]
Hey
Make me feel so good
Keep on sailin'

Yeah

Boats go by
Boats go by
Boats go by
