When it's not always raining there'll be days like this
When there's no one complaining there'll be days like
this

When everything falls into place like the flick of a
switch

Well my mama told me there'll be days like this
When you don't need to worry there'll be days like this
When no one's in a hurry there'll be days like this
When you don't get betrayed by that old Judas kiss
Oh my mama told me there'll be days like this

When you don't need an answer there'll be days like
this

When you don't meet a chancer there'll be days like
this

When all the parts of the puzzle start to look like they f
it

Then I must remember there'll be days like this

When everyone is up front and they're not playing
tricks

When you don't have no freeloaders out to get their
kicks

When it's nobody's business the way that you wanna
live

I just have to remember there'll be days like this

When no one steps on my dreams there'll be days like
this

When people understand what I mean there'll be days
like this

When you ring out the changes of how everything is
Well my mama told me there'll be days like this

Oh my mama told me
There'll be days like this

Oh my mama told me
There'll be days like this

Oh my mama told me
There'll be days like this

Oh my mama told me

There'll be days like this
