Dance on Gypsy Queen
And if it's all night,
It's alright
Rave on, let your love
Come tumbling down
And if you let your love come tumbling down,
It's alright
Dance on, you know it's all right
Gypsy Queen
Dance on, you know it's all right
Gypsy Queen

Rave on, there beneath the silvery moon
Don't stop your carburetor
Let your car run
And if it starts to rain
Keep on dancin in the rain
And if it's all night
It's alright

Dance on, you know it's all right
Gypsy Queen
Dance on, you know it's all right
Gypsy Queen

Ooh la la la la la la la la la
Dance dance dance the night away
Ooh la la la la la la la la la
Dance dance dance the night away
Come on come on come on let me hear you say
You're gonna dance on gypsy queen
Stars shine down on you
And it's alright

Ooowee I wanna throw my arms around you
I'm so glad I've found you
Gypsy queen

Dance on, you know it's all right
Gypsy Queen
Dance on, you know it's all right

Gypsy Queen
