The smile you smile as you and I, see through your
laughing eyes

The smile you smile as you and I, see through your
laughing eyes.

O baby, in the whirlpool of them,
I can be in paradise.

I go roamin' in the gloamin ever and a day with you,
O yes we will, I go roamin' in the gloamin ever and a
day with you,

O baby, and sit between the stars and say,
That's my point of view.

O yes - I, I, I, I, I love you
I, I, I, I, I love you.

In the purple heather, on a hillside, mountain fog will
stray
O yeah, in the purple heather, on a hillside, mountain
fog will stray.

O yeah, and chase the coloured the grass,
Around us in the same old way.

I, I, I, I, I love you, baby
I, I, I, I, I love you, O baby.
