(Mose Allison)

Been workin' in nightclubs so long, can hardly stand  
the break of day

Been workin' in nightclubs so long, can hardly stand  
the break of day

Run down rooms and bad places  
But it's still the only way

Gonna be here through Sunday evening, be someplace  
else on Tuesday night

Gonna be here through Sunday evening, be someplace  
else on Tuesday night

If I get home with all my money  
Everything will be alright

If I had a million dollars, I'd sit right down and relax  
If I had a million dollars, I'd sit right down and relax  
I'd go off and buy myself a nightclub  
And write it off my income tax
