The coolness of the riverbank, and the whispering of
the reeds
Daybreak is not so very far away
Enchanted and spellbound, in the silence they lingered
And rowed the boat as the light grew steadily strong
And the birds were silent, as they listened for the
heavenly music
And the river played the song

The wind in the willows and the piper at the gates of
dawn
The wind in the willows and the piper at the gates of
dawn

The song dream happened and the cloven hoofed
piper
Played in that holy ground where they felt the awe and
wonder
And they all were unafraid of the great god Pan

And the wind in the willows and the piper at the gates
of dawn
The wind in the willows and the piper at the gates of
dawn

When the vision vanished they heard a choir of birds
singing
In the heavenly silence between the trance and the
reeds
And they stood upon the lawn and listened to the
silence

Of the wind in the willows and the piper at the gates of
dawn
The wind in the willows and the piper at the gates of
dawn
The wind in the willows and the piper at the gates of
dawn

It's the wind in the willows and the piper at the gates of
dawn

The wind in the willows and the piper at the gates of
dawn
The wind in the willows and the piper at the gates of
dawn
