Real real gone  
I got hit by a bow and arrow  
Got me down to the very marrow  
And I'm real real gone  
Real real gone  
I can't stand up by myself  
Don't you know I need your help  
And I'm real real gone

Some people say  
You can make it on your own  
Oh you can make it if you try  
I know better now  
You can't stand up alone  
Oh baby that is why

I'm real real gone  
I can't stand up by myself  
Don't you know I need your help  
You're a friend of mine  
And I'm real real gone

And Sam Cooke is on the radio  
And the night is filled with space  
And your fingertips touch my face  
You're a friend of mine  
And I'm real real gone

I'm real gone  
Oh lord I got hit by a bow and arrow  
Got me down to the very marrow  
You're a friend of mine  
And I'm real real gone  
And I'm real real gone  
I'm real gone
