Let's go walkin' up that mountainside
Look down in the valley down below
And we survey this wondrous scene
Wait a minute-
Hold that dream.
Hold that dream.
Don't want to change my name and write a book
Just like Catcher in the Rye
Settle down in a shady nook
Talkin' to my baby now
I'm satisfied
With my world
Cause I made it
The way it is.
Satisfied (Satisfied.)
Inside.
Go to the mountain
Come back to the city
Where a whole lot of things
Don't look very pretty
Spiritual hunger and spiritual thirst
But you got to change it
On the inside first
To be satisfied
To be satisfied
Sometimes I think I know where it's at
Other times I'm completely in the dark
You know, baby, cause and effect
I got my karma from here right to New York
I'm satisfied
With my world
Cause I made it
The way it is
Satisfied (Satisfied)
Inside.
Sometimes I think I know how it is
Other times I'm completely in the dark
You know, baby, cause and effect
I've got my karma from here right to New York
I'm satisfied
Cause I made it

The way it is I'm satisfied (satisfied) Inside
